ABOUT

I am an aspiring app developer with a strong passion for mobile application development. Eager to apply my self-taught skills and knowledge, I approach problem-solving proactively and am committed to continuous improvement. I thrive in dynamic environments where I can contribute to a team while expanding my technical expertise.

EXPERIENCE

App Developer

Thodupuzha

📅 01/2025 - 04/2025   📍 Thodupuzha

Role involved in mobile application development focusing on usability and performance

- Developed and launched the Double Bus mobile application for Thodupuzha passengers as part of a college project, demonstrating strong teamwork and technical skills
- Collaborated with team members to design, develop, and implement the application, ensuring optimal functionality and user experience
- Successfully addressed user feedback and performed iterative improvements, resulting in enhanced app performance and user satisfaction

EDUCATION

Btech

University College of Engineering Thodupuzha

📅 10/2022 - Present   📍 Thodupuzha

- Studied core courses including Data Structures, Algorithms, Computer Networks, Operating Systems, and Database Management Systems
- Gained proficiency in programming languages such as C, C++, Java, and Python
- Led the Robotics Club as Joint Convenor, overseeing team coordination and project management, which enhanced leadership skills and contributed to successful robotics initiatives
- With a year of experience as Joint Convenor of the Robotics Club, I've honed my skills in collaboration, innovation, and technical problem-solving

Higher Secondary Education

St Aloysius HSS Elthuruth

📅 07/2020 - 03/2022   📍 Thrissur

- Completed Higher Secondary Education with a focus on core subjects including Mathematics, Physics, Chemistry, and Computer Science
- Achieved a high academic standing with a 94.0% score

LANGUAGES

Sanskrit	Malayalam
English	Hindi

KEY ACHIEVEMENTS

🤖 **Robotics Club Joint Convenor**

As a seasoned robotics enthusiast, I served as Joint Convenor of the Robotics Club, developing expertise in team leadership and project management. I honed skills in collaboration, innovation, and technical problem-solving.

SKILLS

Python   Java   Data Structures

Full Stack Development   Flutter

JavaScript   UI/UX Designer

Web Development

PROJECTS

Double Bell

📅 01/2025 - 04/2025   📍 Thodupuzha

A smart mobile app developed to enhance the public bus experience in Thodupuzha

- Designed to be the perfect travel companion for bus routes in Thodupuzha, addressing common travel issues like lack of route and timing info
- Real-Time Bus Schedules feature allows users to view available buses with departure times, fares, and travel duration
- AI chatbot delivers instant responses to user inquiries about routes, schedules, and destinations, enhancing travel planning efficiency
- Bus Booking feature enables online seat booking for express buses with secure payment
- Local Information Hub offers insights into landmarks, institutions, and attractions
- Users can post reviews and suggest improvements

INTERESTS

✔️ **Hobbies**

Enjoys traveling, learning new things, debugging code, programming, and teaching others
